Deforestation in the Country

655. SHRI S. AGNIRAJ: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) what has been the total percentage of deforestation in the country during the last five years; State-wise;

(b) what has been the effect of this deforestation on the environment and weather in the country; and

(c) what steps are being taken to prevent such deforestation?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI BABU LAL MARANDI): (a) Forest Survey of India assesses the forest cover of

the country biennially using satellite data. During the last five years assessment of forest cover of the country has been done twice and published State of Forest Reports, 1995 & 1997. During this period, a loss *of* 5248 sq. km has been noticed which constitutes 0.01% of "the forest cover. The details of loss of iorest cover in various States *as* per State of forest Report, 1997 in comparision to State jof Forest Report, 199S are given in the enclosed Statement. (See below)

(b) The effect of deforestation on environment and weather in if he country has not been qualified.

(c) The major steps taken by the Government to increase the fewest cover are:

(i) Afforestation programmes arc undertaken by State/UT Governments from their own resources as well -as with financial assistance from Government of India.

(ii) Externally aided projects are being implemented for development and preservation of forests.

(iii) Guidelines to all State/UT Governments to involve village communities in protection and regeneration of degraded forests.

(iv) Forest (Conservation) Act, 1980 has been enacted to regulate the diversion of forest lands.

(v) A net work of protected areas has been established.

(vi) Recently, Ministry has prepared a National Forestry Action Plan to enhance the contribution of forestry and tree resources for ecological stability and people centered development through improvement in investment for conservation and development of forest resources.

Statement

*Comparative account of forest cover of State/UT in 1995*and 1997, Assessments (sq.km.)*

State/UT	
Andhra Pradesh	-3,822
Arunachal Pradesh	-19

State/UT	
Assam	-237
Bihar	-37
Kerala	-2
Madhya Pradesh	-3,969
Manipur	-140
Meghalaya	-57
Nagaland	-70
Orissa	-166
A&N Islands	-2

Census of Big-Cats
